Please see below for some important changes to our **training registration** process at The Right Door.

If your staff is unable to attend a training, please email no later than 5 pm the day before the training.

In order to increase our training capacity and to offer more opportunities for your facility to satisfy training requirements, our agency has instituted a fee for no-shows. If a staff member is registered for a training and does not attend, and if no contact is made with our Training Office, a \$10 no-show fee will be charged to your facility, to be paid before any additional training registration can occur.
