PROCEDURE

Application

This procedure shall apply to all clinical/direct service employees and interns of The Right Door for Hope, Recovery and Wellness.

1. Supervision Notes

- 1.1. Supervisors are expected to keep supervision notes for each formal supervision meeting in the designated format.
- 1.2. Supervisors must keep notes on clinical supervision discussions and clinical consultation as qualified by their state licensure or certification and according to their experience.

1.3. Supervision notes address:

1.3.1. Clinical Documentation Issues, including quality and completion review, also a review of model fidelity in relationship with a provided evidence-based practice.

1.3.2. Clinical Record Audit review.

1.3.3. Policy/procedure review as needed and in relation to the Board of Directors review of policies and as changes in agency procedure occur.

Subject Title	Adopted	Last Revised	Reviewed
Supervision - Clinical	4/15/15	4/16/24	04/10/17; 11/15/19; 8/12/2020; 11/22/21; 12/2/22; 11/16/23; 4/16/24

2. The Right Door for Hope, Recovery and Wellness will provide supervision to all individuals providing direct service.

2.1. Supervision may occur through the supervisor’s participation in assessment meetings, treatment/service planning meetings, organizational staff meetings, side-by-side sessions with the person served, or one-to-one meetings between the supervisor and individual providing direct services.

2.2. Supervision for direct service staff shall occur a minimum of three times per month unless an exception is approved by the CEO.

3. Providing Feedback

The Right Door is an agency focused on quality improvement and staff are a vital part of improving agency practices, procedures and the environment. Staff are encouraged to provide their supervisor and/or the Director of Quality Improvement and Compliance constructive feedback. This feedback will be acted on when possible and feasible and will at the very least be acknowledged and appreciated.
